ABOUT ME

I specialize in building web solutions using the MERN stack. My background with PHP has equipped me to understand and adapt to diverse coding environments. My proficiency extends to Python, particularly for data manipulation and automation.

With a Business Administration degree and experience in IT support, I bring a distinctive combination of technical expertise and strong interpersonal skills. Over the course of my career, I have refined my problem-solving abilities and communication skills.

SKILLS

Programming Languages

JavaScript | PHP | TypeScript | Python

Development

NodeJS | ExpressJS | Jekyll | React | Vue | HTML | CSS | Sass | Bootstrap | Tailwind

Database

MongoDB | MySQL | PostgreSQL

Tools

Git | Docker | Kubernetes | CI/CD

WORK EXPERIENCE

[03/2022 – Current]

WEB DEVELOPER

FREELANCE (REMOTE)

- Designed and implemented responsive, user-friendly interfaces, ensuring seamless user experiences across various devices and browsers.
- Utilized modern front-end frameworks such as React and Vue to create dynamic and interactive user interfaces.
- Implemented efficient state management and data binding techniques to enhance application performance.
- Developed server-side logic using Node.js and Express to handle data processing, authentication, and server-side rendering.
- Integrated RESTful APIs and WebSocket communication for real-time updates in applications.
- Designed and implemented database structures using MongoDB and MySQL.
- Employed Git for version control, ensuring a systematic and organized approach to code collaboration and project management.
- Conducted thorough testing using tools like Jest and Mocha to ensure the reliability and stability of applications.
- Utilized CI/CD pipelines to automate the deployment process and ensure consistent and reliable releases.
- Implemented Docker for containerization, enhancing the consistency of development and deployment environments.

[01/2020 – 08/2021]

PROGRAMMING TUTOR

YANGON INSTITUTE OF UNIVERSITY STUDIES (YIUS)

- Created and maintained instructional materials, lesson plans, and exercises to effectively teach programming concepts to students of varying skill levels.
- Provided personalized guidance to students, tailoring teaching methods to accommodate diverse learning styles and abilities.
- Conducted one-on-one sessions to address specific challenges and enhance individual understanding of programming concepts.
- Conducted engaging and interactive classroom sessions.
- Utilized a variety of teaching aids, including multimedia presentations and interactive coding examples to enhance student comprehension.

[09/2019 – 02/2021]

OFFICE IT SUPPORT

KNOWLEDGE HUB INSTITUTE

- Provided on-site and remote support to office staff for hardware, software, and network-related issues.
- Offered prompt resolution to IT problems, ensuring minimal disruption to daily operations.
- Implemented and enforced security measures, including antivirus software, firewalls, and user access controls.
- Hardware Maintenance
 - Managed the setup, configuration, and maintenance of desktops, laptops, printers, and other office hardware.
 - Conducted regular hardware checks and upgrades to ensure optimal performance.
- Developed and conducted training sessions for office staff, enhancing their IT literacy and reducing the frequency of basic support requests.

[09/2017 – 12/2017]

INTERNSHIP (IOS FRONTEND - SWIFT)

REVOTECH

- Contributed to the development of iOS applications, following design guidelines and coding standards.
- Collaborated with senior developers to implement user interfaces and integrate backend APIs for iOS applications.

EDUCATION

[2017 – 2019]

BACHELOR OF BUSINESS ADMINISTRATION

Business Institute Yangon (BIY) <https://www.biy.edu.mm/>

City: Yangon

Country: Myanmar/Burma

Final grade: GPA 3.84

Most enthusiastic in Business Intelligence, E-commerce, Total Quality Management, Team Dynamics subjects.

[2015 – 2019]

B.A. ENGLISH

Dagon University <https://www.dagonuniversity.edu.mm/>

City: Yangon

Country: Myanmar/Burma

VOLUNTEERING

[07/2018 – 09/2019]

Audio Transcription + Translation (English to Burmese)

TED Education Platform

- Transcribed audio files, ensuring accurate representation of spoken content in written form.
- Worked with various accents, dialects, and audio qualities to produce high-quality transcriptions.
- Provided accurate and culturally sensitive translations of written or spoken content from English to Burmese.
- Ensured the meaning and context of the original text were preserved in the translated version.

LANGUAGE SKILLS

Mother tongue(s): Burmese

Other language(s):

English

LISTENING C2 READING C2 WRITING C2
